

Fees that might apply

Payment Method Fee - BPay \$1.50

This fee applies when a payment is made by BPay. You can avoid this fee by setting up a Direct Debit at the start of your loan, so you don't pay fees on your regular repayments. To switch to Direct Debit payments, log into your Toyota Finance Online account or contact us.

Payment Method Fee - Other (includes BillPay, Cheque or Direct Deposit) \$3

This fee applies when a payment is made by BillPay, cheque or direct deposit. You can avoid this fee by setting up a Direct Debit at the start of your loan, so you don't pay fees on your regular repayments. To switch to Direct Debit payments log into your Toyota Finance Online account or contact us.

Account Payment Card Fee \$5

This fee applies for replacement, supplementary, or new payment cards when you switch from Direct Debit to another payment method after the loan start date. You can avoid this fee by setting up a Direct Debit on all your future repayments, so you don't pay fees on your regular repayments. To switch to Direct Debit payments, log into your Toyota Finance Online account or contact us.

Payment Dishonour Fee \$3.25

This fee applies if your Direct Debit or Cheque payment is dishonoured. You can avoid this fee by checking that your account has sufficient funds when payments are due to be debited. You can also change the date of your payments by contact us.

Late Payment Fee \$25

This fee applies if you are late or miss a repayment, and your account goes into arrears. Toyota Finance will contact you about the overdue amount, and this is mentioned in your loan contract as an Arrears Follow-up Fee. You can avoid this fee by ensuring that your account does not go into arrears. You can also change the date of your payments by contacting us.

Information Fee

\$25

This fee applies if you request contract documentation from the Toyota Finance National Customer Solutions Centre. You can avoid this fee by login into Toyota Finance Online where you can view, download, and print your loan documentation online without incurring a fee.

Early Termination Fee

\$750

\$750 multiplied by the number of whole months after the date of termination to the end of the contracted term, divided by the number of whole months in the contracted term. This fee applies if your loan is repaid before its scheduled end date. You can avoid this fee by continuing with your scheduled loan repayments until the agreed completion date of the loan.
